

## THE REUSABLE MICROFIBER MOP AT A DISPOSABLE PRICE!

Taking our lead from the smash success of SmartRags, Monarch Brands developed SmartPads to fulfill a multitude of floor cleaning scenarios. An innovative dispensing box dispenses one pad while priming the next pad for use. Cleaners will flock to this dual-threat microfiber mop in a dispenser box.

## DISPOSABLE - MOP AND TOSS IN DANGER ZONES

- Hospital Wards
- Restrooms
- Gyms & Fitness Studios
- Locker-Rooms

## REUSABLE - WASH AND REUSE IN SAFE ZONES

- Corporate Offices
- Living Spaces
- Food Prep Areas
- Dining Spaces

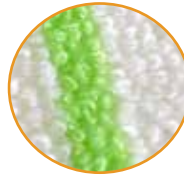

## ATTRACTIVE RETAIL PACKAGING INCREASES POP SALES

## USE ON ANY HARD FLOOR SURFACE

## WOVEN MICROFIBER CONSTRUCTION

SmartPads 100% polyester microfiber woven construction picks up more dirt and is more durable than non-woven disposable pads.

## MITIGATE CROSS-CONTAMINATION

Prevent cross-contamination by using specific color mops for each type of room. E.g. Cleaners may use blue for bathrooms and green for offices.
